What we keep

Craie Morocco - Carry the light

This is a synthetic test document. It is not an invoice, signed contract, verified identity or evidence of real events. No payment, consent, approval or certification is implied.

archive-0: 12 photographs, 6 film exports, contact sheets and references

archive-1: Scope, approvals, collection return and cost reconciliation

archive-2: Retain morning light; allow more time for product macro shots

notes: SIMULATION: fictional workflow, amounts and decisions. AI photographs are illustrations, never evidence.
